

## Andrew (Andy) O'Driscoll

### Gaffer

Andy's career started as an Arri Apprentice, working his way up the electrical department: Rigging, Shooting, BB, Rigging Gaffer up to Gaffer. He is an excellent, solutions focused communicator and enjoys a happy work environment to maximise his team's productivity His experience covers high to low budget productions in features & TV and happy to learn his DOP's preferred lighting style and adapt accordingly.

Bases in Wales, Liverpool, Manchester, Leeds & Yorkshire. EU/Irish Passport.
