

Carlo Vera

Grip

Carlo' started his career in the film industry in various roles before finding his passion for gripping in 2019. As a grip trainee he worked on features, HE-TV and commercials before stepping up in 2021. Since then he has worked on a number of high profile jobs as well as keying his own commercials and short films. As a member of BECTU's Grip Branch, Carlo is committed to achieving his L2 qualification in the near future.
